Sunday's run will travel north over to the mine at Tahawus, where titanium and magnetite were mined.

There is a 35 car limit for this run. This is a NARCOA insured excursion, and all applicable NARCOA rules apply, as well as any others required by the railroad. Cars and paperwork will be checked / inspected, and those not up to standard may be refused permission to set-on. Safety meeting must be attended as well. This is a non-mentoring run. Well behaved children over 10 years old are permitted. As usual, NARCOA professionalism is expected and required on this run.
