## **Saturday-Sunday, September 2-3, 2017 Steamtown National Historic Site (Pennsylvania)**

Please join Mid Atlantic Motorcars Association to visit the Steamtown National Historic Site as invited guests. We will show off our unusual hobby, and share with the railroading public what our speeders did and their history, who NARCOA is, what we do and more. Can you help be a "Gandy Dancer", swing a spike hammer?

There is a 12 car limit and no cost for this event. We will be on a section of tracks behind the shops as well as through the shops to demonstrate our cars, and we will be looking for different cars from over the years, so you must contact either EC for approval to attend with your car. Good public skills are also required. Set up and set on will be Saturday at Scranton, PA around 7 a.m., and departure Sunday afternoon. If you can't bring a car, come out and support our hobby at this great event. This park is great to spend the day just walking around and seeing the huge railroad history and locomotives, shops, etc., so be part of it! As an aside, last year the park loved us, and wants us back again!

The event is sponsored by Mid Atlantic Motorcar Association. It is a NARCOA insured excursion, and all applicable NARCOA rules apply, as well as any others required by the railroad.

Equipment Restrictions/Requirements: safety vests and hard soled over ankle shoes; radio strongly encouraged. Hi-rails are permitted with the following restrictions: FRA and NARCOA Compliant. NARCOA professionalism is expected and required on this run.

Come ride with MAMA and have a great time as we do this run!!
